# PROTECTION. COMFORT. DURABILITY. VALUE.

---

Protection and peace of mind — you should expect nothing less from the number-one brand in workwear. From our modest start as a bib overall company in Bryan, Texas, Dickies® has had an unwavering commitment to and proud heritage of providing innovative, tough, quality clothing.

Now, we offer a complete line of flame-resistant (FR) workwear to help protect workers who face potential arc-flash or flash-fire hazards on the jobsite. Dickies FR clothing is carefully constructed with premium materials that meet or exceed safety standards and is designed for maximum comfort, durability and protection.

## **SATISFACTION GUARANTEED**

Since 1922, Dickies quality has been built into every product. We will gladly replace a garment or refund your money if you are not satisfied for any reason. Please feel free to call our special Customer Service Line with any comments at 1-800-521-1888, or visit [dickiesfr.com](http://dickiesfr.com).

 UL certified to NFPA 2112

 Suitable for industrial laundry

### CHEST:

Measurement should be taken around the fullest part of the chest with the arms down, just under the arms and across the shoulder blades.

### SLEEVE:

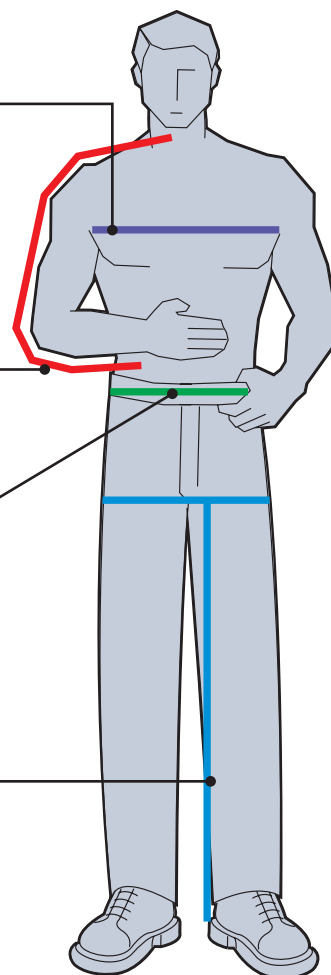

With the elbow bent, measure from the center of the neck (back side) to the elbow and over to the wrist.

### WAIST:

Measure around the waist (not pulling tightly) at the height you prefer to wear the waistband.

### INSEAM:

Take a pair of pants that fit you well and measure from the crotch to the bottom of the leg.
